

WELCOME TO CDTM

EMPOWERING INNOVATORS OF TOMORROW

INTERDISCIPLINARY EDUCATION AND RESEARCH

- Founded in 1998 by the **Ludwig-Maximilians-University** and the **TU München**, member of the **Elite Network Bavaria**
- Center for **innovative teaching**, **applied research** and **entrepreneurship**
- Around **75 active students** and more than **600 alumni**
- CDTM offers an **add-on study program "Technology Management"** at the intersection of digital technology, management and entrepreneurship (~10% Acceptance Rate)
- CDTM is run by a management team consisting of **10 doctoral candidates** and supported by **16 professors** in the CDTM board of directors

**CONNECT, EDUCATE AND EMPOWER
THE INNOVATORS OF TOMORROW.**

Our Vision

**WE OFFER THE LEADING INTERDISCIPLINARY
STUDY PROGRAM AND GLOBAL NETWORK
TO DRIVE INNOVATION THROUGH
TECHNOLOGY.**

Our Mission

Add-on study program “Technology Management”

STUDENTS DEVELOP IDEAS AND SKILLS

- Students **analyze trends, create prototypes** and **solve real-world problems**
- Students can freely choose **electives courses** (e.g. Venture Financing, Social Entrepreneurship, Autonomous Drones)
- Students drive CDTM activities in various **taskforces** (e.g. communications, social events, alumni, IT)
- Students have the opportunity to study abroad or do research at one of our **international top partner universities**
